This is a book you must not ignore if you want to make changes in your life....The principles and truth in this great book have not just transformed my life but also my business...I was facing

challenges in my finances, my business was crashing, no sales for over two months. But after I read this book, prayed based on the principles, I am happy to tell you that things have picked up again. That God that did it for me through the help of this book will also do it for you.Thank you Dr.Francis

Great read I couldn't put the book down. Explains something's I will research and some I know is truth .If we can realize it that we already know this we just needed a remind to activate us up again into the knowing. Great book !

This book increased my understanding greatly. Blessing my spirit. Explanations were very clear. It was inspiring. That's exactly what I needed. Thank you.

This is the most helpful book I have ever read. I have read the scriptures many, many times but never had it explained as well. I believe this book was a God send to me and others.

This is by far my favorite book by Francis so far! God does more with less, and these small books have few words but great power! I would highly recommend this work and I pray the reader be blessed in The Matchless Name of Jesus Christ! Jeff Johnson, Author of Gospills

The book has been guidance and pushed me to seek greater understanding. Thank You Dr. JonahThere is much U need further teaching on. Please read the email I sent and recommend further books.

This book will open your eyes to the fact that as Christians we have been given power to influence the outcome of our lives. Read this book and you see not that you will be blessed, but that, by God's grace, you already are!!

There are scriptures in the Bible that clearly talk about the unseen realm, but most people just skip over them. This book will explain the realms to you.
