Synopsis

Lady Ann StoneÃ¢â ¬â„¢s uncle is the new Earl of Stoneford. The only problem is, he disappeared into AmericaÃ¢â ¬â„¢s West. With only her personal maid, Elise Finster, as determined chaperone, Anne embarks upon a quest to find David Stone. First stop, St. Louis, where the ladies discover their quarry went farther west five years ago. Resolute in their mission, Anne and Elise join a wagon train to Oregon. But will their prairie adventure turn into a Wild West nightmare? Scout Eb Bentley, initially skeptical that the women can survive the journey, soon finds himself falling for the determined, charming, beautiful Elise. Can he keep her alive long enough to win her love? Or will the ladies succumb to the rigors, ruffians, and rustlers along the trail?

Customer Reviews

I loved the characters and the story! Most of the story happens on the Oregon Trail and that was fascinating. For two Englishwomen it was an amazing accomplishment. The description of life on the trail seemed quite realistic. I thought the dialog was really well done! It helped make the book a

pleasure to read. The romance was very sweet! They occasionally spoke about relying on God's help, saying prayers, and doing the right thing. I plan to read the other books in the series because I enjoyed this one so much.

This was a delightful historical western romance about a young lady and her maid who were searching for her Uncle in order to get her inheritance. Traveling to Oregon on a Wagon Train with all the duties a traveler had to endure, the ladies enjoyed the adventure even with the people who tried to stop them. A must read for those who enjoy a western story from at a special price and from a delightful author who kept me spellbound with suspense. I am excited to begin the next book.

Quite a twist to the usual Oregon Trail stories. I enjoyed the characters and storyline. I would love to see this book go through one more editing (since I came across over 30 grammar, punctuation, and formatting issues), to get rid of the awkward glitches while reading.Otherwise, this story of an English lady and her maid/guardian crossing the wild frontier in a wagon train is quite engaging.

I loved the Lady's Maid and Lady Anne as characters. The are not the typical which in turn adds charm to this book. This book has a very interesting story line. Not predictable. I love historical fiction as one learns little bits of history as well as being entertained. I surely recommend this as a book you will want want to put down! Very enjoyable!!!!

The story kept my attention. The characters were believable. There were a few typographical error's but nothing that disturbed the flow of the story. There were no explicit love scenes just a good romance. I do feel however that the ending quest to the abrupt and that the author was anxious to get into the next story of the series.

This is a story of a young lady of aristocracy and her lifelong personal maid who travel to America to find an uncle who if alive stands to inherit a fortune. They are part of a wagon train that takes them first to St louis and then on to Oregon. They basically have no domestic skills which they must learn in addition to handling a 6 mule team wagon. Of course love blossoms on the way and there is also a mystery woven in the entire story. I really enjoyed the book although it seemed there were areas where details of some situations were missing and never explained. Still it was very interesting and a good read.

I enjoyed reading about Anne's and Elise' s adventurous journey, but I was disappointed when the book ended. The reader is left hanging. In order to find out how the story ends one must read book 2 in the series. This book does not stand alone. I would have rated it higher were it not for this fact.

Lady Anne and her ladies maid and friend, Alice, came to America to find her uncle and tell him him hrt was needed in England because her was to receive a title from the King, because his brother was dead. This is a Recency and western historical story. I loved it!
