Synopsis

How do we go about liberating the nations? By infusing into them the principles contained in the Bible. History has shown that the most free and prosperous nations have been those that most accurately applied the principles of Christianity in every sphere of life. Learn Biblical principles of education, government, economics, law and family life. Examine the role of the church, the family, the media, and civil government in a nation, and learn what you can do to bring Godly reform. This book is being used by thousands of people in scores of countries. Visit our website for other books and information: providencefoundation.com

Customer Reviews

Every Christian, family, school and church needs this in their library. It is the best I've ever read in what ittakes, on a grassroots level, to participate in Liberating Nations back into their godly inheritance.

Great book!

This is a great book for leaders who want to make a difference in governance.However, the illustrations are not loading on my MAC and iDevices.

This is an extremely good primer on the Biblical foundations of government. I would recommend it for non Christian as well as Christian to understand how reality works properly and in good order.
