Synopsis

A new foil-stamped addition to the classic line of Whitman Coin Folders. The Lincoln cent was the first regualr U.S. coin to portray a specific individual and was introduced in 1909 to memorialize the centennial of Lincoln’s birth. In 1959 the original reverse design was replaced with the Lincoln Memorial in recognition of the 150th anniversary of Lincoln’s birth. All Whitman Coin Folders feature: * Trademark royal blue, grained leatherette cover * Ability to open flat for all-at-once veiwing * Dates pertaining to the coin it holds

Customer Reviews

Great quality for the price all the way.. Would recommend this to every coin collector. The only thing i found to be a con if anything is on some slots it was hard to force the pennies in but thats it.

I’ve been buying Whitman coin books since I was a kid...These books hold up very well over time! I even have a couple of Whitman [penny] coin books that my grandfather started over 35 years ago, and the books are still in one piece. As long as you’re working on a hard, flat surface with nothing else under your coin book, then you’ll never have to worry about ripping out or punching through the back of your book. Yes, most of the coin books out there have tight cutouts for the coins... Forget the sore thumbs; I use the plastic "butt end" of an `ultra fine point’ Sharpie marker to push in my coins. This method also makes it possible for my kids to push the coins in to the holes.TIP: I bought 2 of these books for my kids. When I received them, I discovered that they were probably printed 6, and 7 years ago! One book only had dates and quantities minted for pennies from 1999 - 2008; the other book only had dates and quantities minted for pennies from 1999 - 2009 (but didn’t have the

varieties printed for the 4 different 2009 pennies). This means that two full pages in both books had blank holes (i.e. 60 blank holes in each books). I guess I could use these books to hold my coins up through 2040-ish, and then transfer the coins over to a future book that will have the printed info for the pennies. But for the time being... the book that you should really consider is the, "Lincoln Cents Folder Starting 1975 (Official Whitman Coin Folder)

Bought this and I am always happy with this brand of book. This book is made very well and I'm always very happy to get these.

This has not been updated for many years. Didn't expect to have to write in the dares.
