Customer Reviews

The music is easy enough to read, provides fingerings, and is not too expensive for what you get. I wanted to learn the E major for myself. I can’t compare this with other editions since I haven’t seen other editions, but the music (hopefully what Handel intended) is there. Ornamentation is sometimes difficult to interpret in Handel if you’re like me, so they provide some remarks about interpretation in footnotes along with realizations.

Pages falling out almost immediately from it. Bad binding.
