Synopsis

THE SOCIAL WORK SKILLS WORKBOOK, Eighth Edition, enables students to develop proficiency in professionalism and the essential social work skills. Each skill supports one or more of the 43 knowledge and value statements and the 31 practice behaviors that elaborate the core competencies in the 2015 EPAS of the CSWE. The skills also align with nationally standardized licensing exams. The text includes expository content grounded in contemporary research, assessment tools and processes, and strong experiential components that help students get a realistic sense of the field. Case examples, summaries, and skill-building exercises cultivate students' professionalism and expertise as confident, ethical, and effective helpers. Current social issues are evident throughout. The perforated three-hole-punch format can be used as a main text in social work skills labs, a resource for field or internship courses, or a supplement to social work methods and practice courses.

Dr. Barry R. Cournoyer has been a social work practitioner for more than 40 years and a university teacher for more than 35 years. He received his M.S.S.W. degree from the University of Tennessee and the D.S.W. degree from the University of Utah. He is Emeritus Professor with the Indiana University School of Social Work, where he taught for 32 years. A former Associate Dean with the School, he remains interested in student learning assessment and quality improvement activities in social work education. In addition to this eighth edition of THE SOCIAL WORK SKILLS

WORKBOOK, he co-authored THE SOCIAL WORK PORTFOLIO and the Seventh Edition of SOCIAL WORK PROCESSES -- all published by Brooks/Cole-Cengage. He also authored THE EVIDENCE-BASED SOCIAL WORK SKILLS BOOK, published by Allyn & Bacon.

This book is great!!! Gives massive derails and examples of what certain skills are. Great yo take on-online classes for that's how good it is. I literally don't need to go to class because this book explains it better than the actual professor.

It's hard to believe that this new edition could be improved from previous ones. But, it is! Incredible book. Absolutely should be required of every social work student. It's that helpful!

Good product.

Did not receive the access code. This book is way too expensive as a stand alone. Access code should be included for the price that it is.

I didn't receive the accesss code for Mindtap which is supposed to be included in the 8th ed. with this isbn.

Clean and prompt

Great
