Customer Reviews

Great for the extra large bibles...including large print, NLT versions with commentary. I have 4 pens and 2 highlighters tucked in the outside pocket, plus a few notecards tucked inside, along with a small journal. It doesn't zip closed unless I take the journal and notecards out, but I can get it to close. I take it several times a week, so I can safely say that it travels well, including holding the handle. I don't carry it exclusively by the handle because I carry additional notebooks and pens with me, so it all goes in a shoulder bag, but I haven't seen any pulling or tearing of the stitches. The one item I would note is that it is purple and very dark brown...not black. It looks ok, so I kept it. Overall highly recommended.

The purple is a little darker than the picture, and it is a nice cover and would normally meet my needs. I was looking for something to fit a MacArthur Study Bible. It fits in there, but the zippers would probably damage the binder because it's not quite large enough. What makes it nice are the two external pockets (one on each side). I question the quality of the zippers over time but it if you are careful with it, it could last. The main reason I have to give this 3 stars has to do with how advertised this product. This cover is a size Large, which was not indicated. It fits Bibles size 6 5/8" W x 9.5" D x 2" H. If they would have told me this (it's written clearly on the tag that you can see through the bag), I would have known it wouldn't have fit my Bible.

Very nice product. Goodfit for my bible. I like the extra pockets.

I ordered this cover to put my ESV Study Bible in. This Bible is huge. It's really thick and I was worried the cover would not contain it. It is, however, a perfect fit. The colors are vibrant and the materials and good quality on this product. It has a pocket on each side of the outside casing that is great for highlighters and pens and notecards and whatever else you need for your daily studies and it also has a loop to put a pen and a little mesh zipper pocket on the inside for additional storage. The handles and nice and sturdy and the construction is really excellent. I would definitely recommend this product!

Beautiful cover for my Bible. Color is as shown. Love the zip closures which have a cross on them, Very nice touch. Well made.

It's nice, just not large enough for my Schofield Study Bible, so I gifted it -- as I always do when I

can’t use something I order rather than return it.

I like everything about it except the darker color is kind of between a purple and a brown - not really as attractive as I was hoping for. Also the straps are stiff.

This is nice. It doesn’t have enough room in it for my bible and a notepad so I wouldn’t call it a large bible carrier like it’s listed. Other than that, it’s nice. The colors and lettering are pretty. The handles are strong. No issues with tearing or stretching.
