Love it so much, I ordered another one!I have used this Bible cover for 3+ years. I attend church 3 times a week, so this cover gets some heavy use. Not to mention all the hours of at home use. I have a large print Bible and it fits inside with room to spare. I'm not going to list all the stuff I put in there, let's just say I NEVER carry a purse to church since I got this cover. Everything I need has a place inside the cover. The only problem I have had, and the reason for ordering a second one, is the straps below the buckles have broken and I've super glued them a few times and decided to stop gluing and order another. I have gotten my money's worth out of the first one!!

This is my fault but in reality it is far larger than I realized. The texture and feel of the material is somewhat cheaper than I expected. I don't have the packaging or insert to return it but in person it is so loud that I am embarrassed to carry it. I'm pass it on to someone more colorful than me...it's not a bad product; it's just not what I thought it was and not for me. The service was good and quick though.

I love it

Love this bible case, so many women at church have asked where i got this from. It really is so pretty, it's like having a purse and bible case all in one. Thank you so much. 1 happy customer.

I only had the zebra case for a little over a week and the strap broke - nice design but material did not last

It was more much much Moore tan I expected love it,it holds pictures of my grandkids and Moore Thank you so much

I just received the case yesterday. I'm already using it. It matches one of my purses. I have my parallel bible in the case. It works great and it's so bright and colorful. I LIKE IT, I LIKE IT ALOT!
