Customer Reviews

24 Easy Melodies with variations for Flute.

The music was in great condition, but price was too high.

Yes, it met the expectations of our flute teacher.

A delightful book for essential articulation practice with ample scope for interpretation & expression! Includes flexibility exercises for octave leaps. Written to span the entire scale spectrum to build familiarity.For the beginner - graded easy. I've found this personally thoroughly enjoyable. Achievable yet allowing ample scope for qualitative improvements in tone and expression throughmelody.
