Customer Reviews

This book really opened my eyes during a tough time in my life. I was having issues with my faith and blaming God for many of the problems in my life. I am going to know take the perspective Adam presents and glorifying God in this because I am going grow in God because of it. If you want a great book read this one because it will inspire you to live differently. I am diffently going to be read more by this author.

I wish I could give 10 stars. Adam Houge is my favorite author. He is easy to read because he obviously speaks from the heart, from past experiences and most important from Scriptures without "preaching." His biblical quotes relate to the topic at hand. The advice he gives while telling each topic are effective and easy to put into practice.I have read several of his books. Whenever I see the name Adam Houge, I do a double take to make sure I haven't missed anything!Extremely enjoyable.

This small book by Adam Houge is intended to be inspiration for people who are taking on some of the giant tasks and challenges of life. The author uses the story of David and Goliath as told in First Samuel of the Hebrew Bible (Old Testament), chapter 17, as the basis of his advice. I am giving only a "4 star" rating because of the brevity of the book, not its quality or content.Among other things, Mr. Houge says, ÃƒÂ¢Ã â ¬Ã Å“In order to live by perfect faith, first you must understand that God has plans for your life, plans that will give you a future and a hope if you follow them. But if you donÃƒÂ¢Ã â ¬Ã â„¢t follow them, then you are not living for Christ. Christian literally means ÃƒÂ¢Ã â ¬Ã Ëœfollower of Christ.ÃƒÂ¢Ã â ¬Ã â„¢ So in order to be Christian, first we must allow Jesus to take the lead through His Spirit. That God has plans for you is evident.ÃƒÂ¢Ã â ¬Ã Â•This would make a good study book for a small group of Christians meeting in a church, a home, or some other setting such as a coffee house. The chapters are brief and go straight to the point, so a lesson can be grasped easily.Another value of this book might be for a pastor to use it as inspiration for preparing a sermon or a series of sermons. The book has several examples that would be easily understood by a reader or listener.If you are looking for a deep and complex work of theology, you might want to look elsewhere, but used for the purpose for which it was written, Slaying Your Giants is excellent. The author has a straight forward, hands on approach to faith and its application to life. Mr. Houge also has written a number of other books, which are listed in this volume, as we are told he is a ÃƒÂ¢Ã â ¬Ã Å“#1 internationally bestselling author of over 60 books on the Christian faithÃƒÂ¢Ã â ¬Ã Â•. The reader may want to research out these other publications as well.

This book is GREAT, it hits ALL the marks, as in bible scriptures to back up all the suggestions in this book. Thank you so much for sharing your blessings!This is a great read, easy and fast with scripture. I was unable to attend our church service today because of the weather, I could've watch a service on TV or sat down with a good book like this one. :) I am glad I chose this book!

Slaying your giants is easier than you think. Please read this book and find out how. You actually do nothing. How easy is that? Adam has a true gift of getting back to the basics. God has blessed t Adam o be a blessing to us. You will want to read this book over again as the need arises and you need your giants splayed. God bless you in your time of need. Praise the Lord! Your faith will abound just by reading this inspired work. There will be no limit when put into action. With God we can do all things. Just ask Goliath.

I have read quite a few Adam Houge books.....they are always filled with the beautiful truth if God's love for us. Adam is definitely a man after Gods heart.Slaying Your Giants if filled with tons of "manna".....you might even leave wanting more as I have. I am going to go back and read it again. So much food for thought!I would love it if I could buy this book so I could give it to friends, but I only see it on Kindle.I highly recommend this book, it's a diamond in the rough! Enjoy!

This book was amazing ! It touched so feelings and thoughts I was going through. I know God loves me and this book let me know that no matter how I feel God will always love me and be there for me even when I feel so far away from him and you know you disobeyed for not listening to him and makes you not feel worthy of him This book showed me that God truly loves me and he is always working in my life because I am his. I would truly recommend this book in fact having 2 read it . Believing it will touch their heart Thank you.

Adam Houge is a wonderful author who will challenge you to draw closer to the Lord in everyone of his books. This one helped me to understand that we don't just ask for any mountain to be moved. There would be no need for an actual mountain to be moved, but if we seek the Lord on the direction of a mountainous issue in our life, and feel He is leading us to pray, we can pray in faith, believing, and it will come to pass.
