Synopsis

In book three of the series, Sabrina and Daphne Grimm tackle their most important mystery: Who kidnapped their parents more than a year ago? Sabrina enters the hideout of the Scarlet Hand, the sinister group of Everafters who are keeping her parents prisoner. She has a chance to rescue her mom and dad but is foiled by the most famous fairy-tale character in the world. With the help of her little sister (who might be tougher than Sabrina realizes) and a long-lost relative, Sabrina finds a powerful weapon for fighting her enemies, and discovers that magic has a high price.

Customer Reviews

My 9 year old daughter and I love this series of books. Stories are intriguing and humorous. We can't wait to read them together every night.

This is a fantastic journey to take with your kid if they are an avid fantasy lover.Right out of the ilk as musical "Into the Woods" or mini-series like The Tenth Kingdom, or Tv show: Once Upon a

TimeThe Grimm Sisters books are a little bit mystery, a little bit fantasy, but each book has some amazing "themes to grow on".Sabrina leads the way, the books continue to be written largely from her perspective, but we get to see her mind harden and soften, see and feel her learning along the way about some bigger points (racism, trust, loyalty). through fantasy rather than "real world".It's a great series, and we are eating it up. We're actually two books past this now (it's at the point that I'm reading ahead even).If you love fairy tales and you want to explore them in a new and exciting way - The Sisters Grimm is a great series to pick up.

Loved the 3rd story. Daphne and Sabrina never cease to amaze me. This story is a great series for anyone who loves mysteries, young or old.

My daughters loved this book. Highly recommended!

great

This series is enjoyed by me as well as my seven and eight year old sons and eleven year old daughter. This and book four got us peacefully from central Oregon to central California, a miracle by most standards.

granddaughter loves this series. great read for 10 year old.

Great books and series
