Grade Level: Preschool - 3

Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

I bought this looking for a traditional church-centered story about Easter. It starts off great with the family celebrating the holiday by attending church. Then it takes a turn and explains that many Easter traditions are pagan.If you are looking for a book to help you explain the differences between the the Easter Bunny and celebrating the resurrection to a child, then this would be a good choice.I

wasn’t looking for that kind of help, however, and it caught me off guard. There are several different explanations for the origin of Easter eggs and Easter bunnies, and this book presents its own version as canon.

I absolutley adore the Berenstain Bears collections as do both of my children! I bought the Easter Sunday book as part of my childrens Pre Easter gift so as we start to celebrate Easter with plastic eggs & the easter bunny my children understand the true meaning of easter. In a very sweet manner, perfect for toddlers.

We’ve always been a fan of the Bernstein Bears & the wonderful messages within their pages. My grandchildren will love this one & I Love that it will remind them of the real reason we celebrate Easter! As always...Well Done!!!

This book is ok. It is more about how the Easter bunny and candy have nothing to do with Easter and Jesus but have to do with spring. They decide if you recognize that then theyre ok. I was really looking for more of a religious explanation of what Easter is like the other Easter Berenstain Bears book we bought. This is definitely not that.

Great book for the toddlers to learn and be interested in the meaning of Easter.

I get choked up reading this to my kids. It’s focused on Jesus and it’s wonderful.

I bought this book for a two year old thinking it would just be about Easter in general and going to church. It details Jesus’ death which I wish I had known. Too much for a 2 year old.

If you have Berenstain Bear fans, they will like this book. It isn’t deeply religious, but it isn’t just about the bunny.
