Synopsis

Look deeply at the theology of your soul, that is to say, the psychology of your inner self, and see how you relate to God and others. Explore moral dilemmas and emotional complexities like fear, anger, shame, and selfishness, and let Oswald Chambers help you see the affect they have on your relationship with God. In Biblical Psychology, this well-known author of My Utmost for His Highest shows you how to let redemption enter in and heal hurt places. This is no high-brow book on pop psychology, but an indepth examination of you and your personal relationship with God, answering some of today's most pressing questions with the style and grace for which Oswald Chambers is so well respected.

"The whole book is...a mere effort to arouse the average Christian worker to study the wealth of Scripture, and to become better equipped for dividing the Word of Truth." This simple ending to Biblical Psychology by Oswald Chambers--one of the few books the author saw in print before his death in 1917 at age 43--represents the humble intentions and mighty effects of all the more than two dozen titles that now bear his name. In this pioneering work, Chambers looks deeply at the theology of the soul. Basing his teaching on the foundation that God created people as relational creatures, Chambers looks at the psychology of man's inner life and how he relates to God, to others, and to himself. He explores the moral dilemmas and emotional complexities Christians face

as they try to reconcile their faith with a world full of fear, anger, shame, and selfishness; and he offers scriptural answers for these struggles. Here we see Chambers' acute mind at work, sorting through Scripture and what God reveals there about the heart, soul, and spirit of people, and the effect redemption has on us and our relationship to God.

Oswald Chambers (1874-1917) was born July 24, 1874, in Aberdeen, Scotland. He came into a personal relationship with Jesus as his Savior in his teen years under the ministry of Charles Haddon Spurgeon, and studied art and archeology at the University of Edinburgh before answering a call from God to the Christian ministry. He then studied theology at Dunoon College. From 1906-1910 he conducted an itinerant Bible-teaching ministry in the United States, the United Kingdom, and Japan. In 1910, Chambers married Gertrude Hobbs. They had one daughter, Kathleen. In 1911 he founded and became principal of the Bible Training College in Clapham, London, where he lectured until the school was closed in 1915 because of World War I. In October 1915 he sailed for Zeitoun, Egypt (near Cairo), where he ministered to troops from Australia and New Zealand as a YMCA chaplain. He died there November 15, 1917, following surgery for a ruptured appendix. Although Oswald Chambers wrote only one book, Baffled to Fight Better (since updated and titled Our Ultimate Refuge), more than thirty titles bear his name. Mrs. Chambers, a court stenographer, compiled the rest of her husband's published works from her verbatim shorthand notes. For half a century following her husband's death she labored to give his words to the world. My Utmost For His Highest, his best-known work, has been continuously in print in the United States since 1935 and remains in the top ten titles of the religious book bestseller list with millions of copies in print. It has become a Christian classic. The Oswald Chambers material is published and licensed exclusively by Discovery House Publishers through arrangement with the Oswald Chambers Publications Association, Ltd.
