Elia Kacapyr is a professor of economics at Ithaca College. He holds a B.A. in economics from the University of Maryland. His Ph.D. is from the Andrew Young School of Policy Studies at Georgia State University. EliaÃ¢â ¬â„¢s fields are macroeconomic theory and econometrics. He has published numerous scholarly articles and three books, including A Guide to Basic Econometric Techniques. Elia has served as a Reader for the AP Exam in Economics and consulted with the Educational Testing Service on the Economics Field Exam.Since James Redelsheimer began teaching Advanced Placement Economics at Robbinsdale Armstrong High School in Plymouth, Minnesota in 2003, over 500 of his students have gone on to receive college credit on AP Economics exams. Redelsheimer received the 3M Economics Educator Excellence Award from the Minnesota Council on Economic Education, and was named VisaÃ¢â ¬â„¢s Practical Money Skills Innovative Educator of the Month. He has been a guest lecturer in the economics department at the Batumi State University in The Republic of Georgia, and has received travel grants and fellowships for study travel to learn about the economies of Japan, China, Turkey, Germany, Korea, among others, and studied economics of the environment in Costa Rica. In addition, Redelsheimer is a trainer of other teachers of Economics as a Master Teacher for the Minnesota Council on Economics Education. Redelsheimer is also a frequent presenter at local and national economics conferences, and currently serves as an AP Economics reader, grading AP Economics exams.

Superb

Pretty much covers all the bases in micro & macro. Overall good book to have to review subjects that school textbooks lack I explaining.

Perfect study guide for my daughter’s AP Economics course.

Totally recommended for students taking AP Economics!

Great book, very helpful

Barron’s is barron’s. Save yourself the money for a prep course and buy this book.

Its pretty good

5 stars
