Synopsis

Animaniacs centres around the adventures of the zany Warner siblings, Yakko, Wakko, and Dot. The Warners were created in the 1930s, but were considered too zany for the time, and locked away in the famous Warner bros water tower in the movie lot. In 1993, they made an escape and since then, have been escaping time and time again to go on several adventures, some as exciting as helping Michaelangelo paint the roof of the Sistine chapel, or some as silly as dropping anvils on the head of a bad Barney the dinosaur rip-off, which is probably my favourite animaniacs bit. This book contains step by step instructions of how to draw your favourite cartoon characters from Animaniacs in a picture book format. Art grids are used to help improve your work by breaking down intimidating imagery into more manageable portions. The grid basically divides the original image into smaller blocks so that you can more easily see what belongs where. This can help you create more natural, effortless artwork, and increase your understanding of shapes, composition and color. The grid method has been used by artists for centuries as a tool to creating correct proportions. All the steps in this book are visually depicted in a very detailed manner and are self explanatory. Hence there are no written instructions required. In this book you will learn to draw following characters: Learn To Draw Babs Bunny, Brain, Byron Basset, Colin, Elmyra Duff, Hello, Mary Hartless, Mr Skullhead, Porky Pig, Runt, Speedy Gonzales, The Grim Reaper and Wilford. I hope that you enjoy this book.

Book Information

Series: How to Draw 90s Cartoons

Paperback: 144 pages

Publisher: CreateSpace Independent Publishing Platform (March 11, 2017)

Language: English

ISBN-10: 1544614101
