Customer Reviews

This book is an excellent book, I loved reading it, but there were a few flaws. 1) They used the wrong name, his name is Stampylongnose. 2) Some wrong punctuation. 3) Some wrong grammar. Please fix the mistakes and I will change my rating to 5 stars.

My son is addicted to StampyLonghead. He was amazed that there is now a book to read. I can’t get him to put the book down, which is great because he is reading. Win-win!

My son loves stampy and he loves this book.There are some grammatical errors and not a lot of pictures which might be hard for adults and kid alike, but just having the book excites him so we try to overlook those parts when we read it.

My 8 year old daughter loved the story. Even though the grammar was not the greatest she is really into minecraft and has read this several times

My son loves Stampy Cat on YouTube but said the book is "boring."
