Synopsis

If you want to catch fish away from home, find a local expert. Vin Sparano has fished the coast from Virginia to Florida with some of the country’s best-known anglers for decades, and he’s been collecting their hard-earned advice the whole time. Now he’s sharing it in this book. The Southeast Guide to Saltwater Fishing & Boating includes tips from the likes of Jerry Gibbs, Barry Gibson, Lefty Kreh, George Poveromo, Tom Richardson, Al Ristori, and Mark Sosin. Local experts don’t come any more qualified than this group. Heading farther north? Pick up a copy of Northeast Guide to Saltwater Fishing & Boating, Second Edition. " . . . probably the best book of its kind ever published, and should be a must for serious anglers everywhere."--The Suncoast News "Takes the guesswork out of fishing."--Tampa Tribune and Times "This guide lives up to its name."--Soundings "These extremely comprehensive guides will serve time and again as your local ’expert.’"--The International Angler
