Customer Reviews

I did buy this as a gift. My friend wanted a book that was just lions, and this was the only one, so I went for it. I flipped through it before giving it to her and was impressed with both the quality and the variety of styles of the pictures.Perhaps needless to say, she absolutely loves it. And has

absconded with nearly half of my coloured pencils! Seriously, very much worth 5 stars.

Bought for grand daughter and she loved it !!'

Love the Loin of Judah!

Although beautifly done, it wasn't what I expected. I wouldn't have purchased this if you had a better representation of samples. The item was pkgd well and on time.

Fast Delivery. Good Product.

Great quality coloring book, good way to disconnect from the digital and relax.

I loved it

My kids love these types of books but this one is super cool for any lion enthusiast.
