Customer Reviews

A small, quick, easy to read travel guide that highlights 20 places in Edinburgh which are free, or nearly free, to visit. I have wanted to visit Edinburgh for years. This book covers all the sites I have wanted to see ever since I first learned the city's name.The maps are not much use in digital form, but that's okay. They point you in the right direction and every hotel in the city has a free map at the front desk which fills in the blanks.
