Written in a warm, personal style, Weber presents the characteristics of tender warriorsÃ¢â ¬â •including learning to speak the language of women, watching out for what lies ahead, and keeping commitmentsÃ¢â ¬â •in an upfront, straightforward style that challenges readers to realize GodÃ¢â ¬â„¢s plan for men. Praise for Tender WarriorÃ¢â ¬Å“Tender Warrior provides hope for men by challenging their assumptions and shaping their convictions. Read it. Devour it. Then live it. This is the time for real men to emerge.Ã¢â ¬Â• Ã¢â ¬â •Dennis Rainey, executive director, FamilyLife Ã¢â ¬Å“In a day when our culture is at once confused and concerned over gender identity, men everywhere would to do well to recalibrate their personal compasses by the biblical benchmarks found in Tender Warrior . I highly recommend this book!Ã¢â ¬Â• Ã¢â ¬â •Dr. Bruce Wilkinson , New York Times bestselling author

Stu Weber was senior pastor of Good Shepherd Community Church near Gresham, Oregon for more than three decades. He is a much-in-demand international speaker and the author of the popular Four Pillars of a ManÃ¢â ¬â„¢s Heart, All the KingÃ¢â ¬â„¢s Men, and Along the Road to Manhood. He and his wife, Linda, have three children, Kent, Blake, and Ryan.

If you really want to know how to be a real man, read this book. Weber goes right to the biblical principles of how Jesus Christ set the mold for us to follow. The book outlines the roles a man must play during his life's walk and how those roles are intermingled with one another. How a real man is one who is a devoted father, husband, and friend. One who depends on Jesus Christ, the greatest man of all, for his counseling. You want to know what macho is, read the book! I'm using it right now for my men's ministry in my church and I can't keep them on the shelf. It's an awesome book to use for a Men's Sunday School or for a Men's class Thursday nights. Great job Stu!

What a wonderful book. I know it's written for men, but ladies you'll learn a lot about men reading this. I am a very independent woman, but the kind of tender warrior described in this book is one I'd like to know. The description of the relationship God intended between men and women sincerely changed my expectations for men and women. It's the perfect book for the tough guys out there looking for ways to serve God and perfect book for the ladies tough enough to put up with them and are curious to know how they think.

I purchased due to being endorsed by a author of a powerful series i attended. I thought i would loan it to parents that needed some additional guidance in the raising of their childen, but my husband read it and found it to be very good.

This is one of the first books I read about Christianity and Man's role as a Christian, and still one of the best! i have re-read this book several times, and I continue to fine value in this book. Stu Weber's style is captivating. I recommend this book to all Christians and even more to non-believers, as I am sure this will wet the appetite to seek more of the truth about Christ, and what role men are called to in this world of ever confusing gender roles.

I found this book to be very insightful and left me feeling motivated daily to be a better man and husband. I did find it challenging at times to understand the complexity of our inability to be this

perfect yet at the same time the simplicity in what we are asked to do. Simple in the text, complex in reality. I am also fortunate to have a very loving Christian wife, I was wondering at times about men who don't have this and the challenges they must face. It would be interesting to discuss specific examples with Mr Weber and hear his thoughts. Maybe another book idea.....? Would love to read it.

Great book for any man wanting to find out how to live out their God-given purpose. This book shows how the elements of King, Warrior, Mentor, and Friend are pivotal in that purpose.

Very worth the read

Awesome book. Not a frilly, lovey dovey, mushy, let's hug and drink cocoa kind of book. This is a call to manhood! A look you in the eyes, call it like it is, challenge yourself to be better and do better kind of a book. If you want to be a better man; if you have a desire to love your wife the right way and train your children with purpose, this is your book.
