Since 1974, men around the world have practiced the biblical teaching in this book to live by GodÃ¢â ¬â„¢s terms. Now you can follow in their footsteps to reach GodÃ¢â ¬â„¢s standards as a father, a husband, and a mentor to other menÃ¢â ¬â •and Gene Getz tells you how to make the grade. True masculinity isnÃ¢â ¬â„¢t measured by strength but by these 20 biblical guidelines drawn from the apostle PaulÃ¢â ¬â„¢s letters to Timothy and Titus. With ideas for real-life applications and words of inspiration, here is GeneÃ¢â ¬â„¢s greatest workÃ¢â ¬â • fully rewritten and updated to speak in the most practical terms to men from every generation. --This text refers to an out of print or unavailable edition of this title.

Gene A. Getz is senior pastor at Fellowship Bible Church North in Plano, Texas. After serving as a Bible college and seminary professor, Gene became involved in planting Fellowship Churches. More than 30,000 people currently attend the Dallas churches he

My husband is still reading this book. And he has said on many occasions how much he has enjoyed this book. He doesn't read much so for him to say that. I would say if you are unsure.... Just buy the book!

I bought this book for a young Christian man who is in my Sunday School class. With prayer and the conviction of the Holy Spirit, this book has made a significant difference in his life. The book clearly teaches qualities that biblical men are called to develop. This young man has gone on to invite several young men in our church to join together for a study of the book and is speaking to youth groups about becoming a godly person since these qualities are not exclusive to men but to young women as well.

I read the previous edition so much that I needed to get a new copy. Like some of my favorite books, this one got worn out. The material needs to be revisited often to keep men on track for what God has laid out for him. This is not a robotic field guide but Biblical training that becomes personal - lived through an individual life.This book should be give to all sons to help them get a God's eye view of what it is to be a man. Perfection in men the aim? Hardly! but knowing the expectation can affect our will to live right.

Our men's Bible study group is currently going through this. We are going through one chapter each week. Wonderful!!!! A great study and roadmap for being a Christian man!

This a simple, yet very profound work about what is involved in being a Godly man. I don't believe any Christian man ever grows to the point that he does not need a few reminders about how to live. I know that I certainly benefit from such teaching. I've been a Christian since I was 14 and have heard a lot about Christian manhood. This work is as good as any on the topic. It is well worth reading and would work well in a Bible study for men.

I purchased this book as part of an effort to start a men's bible study group. I must say, I can't keep copies. It is simple in concept and scripturally based. Every turn of the page is filled with a moment that makes you go aha, hmmm, or ouch. The book also includes questions that make for good bible study discussion questions and challenge each participate to engage their own efforts to be Godly.If you are starting a Men's Bible study or are new to spiritual leadership, I strongly encourage this book. The only caveat is that you must engage each chapter's challenges. Each chapter will challenge you to work on those areas where you may have spiritual weaknesses. It will require an honest assessment of your spiritual strengths and challenges and provide directions to take as part of your growth and progress. If you are ready for that challenge, or are starting a Men's Bible Study

or have men new to ministry or leadership, this is a good book. Buy lots of copies though.

This is an excellent book that raises the role that men have in their personal, family and church lives.

I had the opportunity to meet Dr. Getz and he recommended this book for our churches. I have this book on Kindle and now as a video teaching. The biblical teaching in this book is just what men we need. Thanks for your ministry.
