Alex Barker qualified as a home economist before becoming Cooking Editor of Woman’s Own. She works as a food writer and runs a picture library, Food Features. Lots and lots of pictures! Every recipe has full color pictures of both preparation and the finished product. I really appreciate knowing what the dishes should look like, and seeing how they are prepared. So many cookbooks have no pictures and it just baffles me - it’s food ..... we want to see how delicious it looks! This book delivers! :)
