Not great. I expected more, and was disappointed. Maybe for somebody who has never made a doll it would be okay.

I love the book, the content was just what i wanted and it was in great condition

I like it for all the ideas and patterns included. A little light on the instructions though.

This the best Cloth doll book I have ever seen. The instructions and illustrations are very clear.

This book gives me hints and tips. Now I know what kind of dolls I want to make. There are many patterns I want to use. I like the hand writing patters.

Great book, lots of information, love it

Absolutely beautiful book, worth every penny.

I love this book, I have learned a lot from it. Joan H.
