Praise for Raising Men, Not BoysChristians understand that God created human beings as male

and femaleÃ¢â ¬â •for His glory and for our good. The differences between the sexes are not matters of evolutionary accident, but are clear indications of GodÃ¢â ¬â„¢s sublime and perfect design for human happiness. Yet in our age, confusing cultural signals have led many boys and young men to be uncertain and unaware of their masculinity and proper role in the home and in society. This brave new book by Mike Fabarez is a faithful guide for parents who want to raise their young boys to become true men. Full of Scripture-informed wisdom, this is a message parents and young boys need to hear. May God make us faithful as we seek to lead our boys to become true Christian men.R. Albert Mohler, Jr.President of the Southern Baptist Theological SeminaryRaising Men, Not Boys is an absolutely brilliant look at specifics relevant to boys of all ages and the most complete book about raising boys IÃ¢â ¬â„¢ve read. If your son is an infant, read it now. If he is older, read it now. Read sections out loud to him so he understands himself and why youÃ¢â ¬â„¢re making the decisions you are. Underline sections, fold over page corners, and remember to come back to it again and again as your boys experience more of life. Moms should absolutely read this. Differences between boys and girls are very real! Dads should read it, too, of course. Your sons will become men motivated to live for God and equipped to glorify Him if you read, believe, and put into practice just the truths from chapter 2. Mike FabarezÃ¢â ¬â„¢s explanation of the elements of the gospel and whatÃ¢â ¬â„¢s relevant for spiritual growth and wellness is the best IÃ¢â ¬â„¢ve read. This chapter is worth the entire price of the book. Read it all, though. YouÃ¢â ¬â„¢ll be glad you did.Kathy KochFounder/president of Celebrate Kids, Inc.Author of 8 Great Smarts and Screens and TeensIn this marvelous handbook, veteran pastor and experienced father Mike Fabarez provides a deeply probing discussion of various areas every Christian parent of sons should consider in their raising of those boys to become the men God wants them to be. Pastor Fabarez has thought through this subject carefully and includes so many valuable, crucial, and insightful reflections on areas responsible Christian parents would be wise to implement. Let me put itÃ Â simply:Ã Â Raising sons?Ã Â Get this book!Ã Â YouÃ¢â ¬â„¢ll be so grateful that you did.BruceÃ Â A. WareProfessor of Christian Theology, The Southern Baptist Theological SeminaryAuthor of Big Truths for Young HeartsYou can tell a lot about a man by the children he raises. FabarezÃ¢â ¬â„¢s sons tell a definitive story about an intentional father. Turning boys into men doesnÃ¢â ¬â„¢t happen by accident. This character comes about by the shepherding of a devoted father. Others now have the chance to learn from him inÃ Â Raising Men, Not Boys.
