Synopsis

Radical Small Group Study - Member Book is a 6-session Bible study for adults by David Platt. Platt invites you to encounter what Jesus actually said about being his disciple, and then obey what you have heard. This study will challenge you. It is not for someone who is easily made to feel guilty about their perceived or actual lack of service when it comes to their beliefs. The author does not sugar coat the delivery or message. Some of the things made me angry, and my anger caused me to reflect and adjust. The book/video/questions were very good for our small group.

The questions in this book are okay. It references DVDs frequently and it didn’t come with the DVD. We bought this thinking it was a study guide to the book "Radical" by David Platt. It does not match up very well with the book, though making it difficult to use for our Bible Study after all.

I ordered this book during the time I led study sessions for a young adults group. The questions were engaging and really opened up conversation for discussion among the attendees. I felt like the study book added another layer to "Radical" which made it possible for us to openly explore our thoughts and express them with our peers.

Great book for small group study. Platt really makes you stop and think about what you are really

here for as a Christian.Highly recommend

I have read this book through 2 times and will be using it as a tool in our young married class. It challenged some of my mindsets about my lifestyle and the "American Dream". When I realized that many areas of my life are not sacrificial but rather what is comfortable I was left convicted of need for change.

Excellent product!You do not need to have the book Radical along with this. This has basically 30 sessions that include about 7 or 8 deep discussion questions as well as ideas to talk about and passages to read. They build on one another. I'm trying to start a Men's group and this should definitely help!

Very challenging study. Platt boldly speaks God's word and makes you re-think ideas you've heard in the church and brings you to a point of an appropriately Christ-centered view of salvation, sacrifice and service.

It made me think about what a disciple and follower of Jesus should really be like. It made me look in the mirror and be honest with myself.
