Synopsis

Farms are such exciting places for children to learn about and The Farm is a perfect way of introducing children to what they might find there. The book explains how much of the food we eat comes from a farm. Children will learn all about the various animals that live on the farm, how we take care of them and how they help feed and clothe us. Also described are the type of fruits, vegetables and grains that can be grown, how they are harvested and how they can be used to make other foods like bread and pie.
