Synopsis

Live small, dream big, be happy, pack light as you join the tiny trailer movement and set off on an adventure of a lifetime. Park beneath the stars, visit Beach City to ride a carousel, grab a surfboard from the Surf Shack, ride in the Wild West. Travel in a hippie wagon, or pull your tiny trailer with a motorcycle or bicycle. Color a sewing room, a birthday party, other beautiful interiors, or a converted school bus. Kittens, dogs, horses, and all kinds of meditative, relaxing themes await the coloring enthusiast in this coloring book for grownups. 30 hand-drawn, unique images. This book makes the perfect gift for the outdoor adventurer or any occasion. Enjoy three bonus illustrations from the Whimsical Patterns series including Tiny Houses, Farmers Market, and Butterflies, Birds and Flowers. Escape into the delightful and magical world of happy coloring! Ã¢â ¬Â¢ One image per page for ease of coloring and removal Ã¢â ¬Â¢ 8.5 x 11 images Ã¢â ¬Â¢ Low price Ã¢â ¬Â¢ Unwind, relax, relieve stress, meditate as you escape in the joyous world of coloring Ã¢â ¬Â¢ Tiny trailers, garden designs, animals, city scenes, nature, interiors, beach, and so much more

Customer Reviews

These drawings are just too precious! Something different and very well done! Quality paper! I LOVE this book! Look forward to more from this artist!

super cute and inspiring. I want a tiny trailer now for real life!

This is the fourth coloring book in the Francis Keene series of Whimsical Patterns. In this book, artist Natasha Faltinek has created 30 cute designs of tiny trailers. Some of the designs show the inside and some the outside of trailers. In most, there is only one trailer but some show a series of them. Trailer, in this book, means all manner of vehicles that are on wheels from a traditional trailer to vans to buses.I found the designs to be both cute and detailed. A few of them have smaller and more intricate areas to color. The designs are hand-drawn and remind me of the current tiny home trend.This is what I discovered while coloring in this book and testing my coloring medium on the paper:30 line drawing designs of the inside or outside of tiny trailers, plus bonus pages of designs from other books in this series (but not the same artist.)Printed one side of the pagePaper is typical of CreateSpace: white, thin, slightly rough and non-perforated.The designs do not merge into the binding area. There is a framing line at the outer edge of each design.Glue BindingAlcohol-based markers bleed through the page quickly.Water-based markers bleed through in spots.Gel pens and India ink pens leave shadows on back of the page. India ink can bleed through if you apply heavily or multiple coats.Coloring Pencils work well with this paper. I found that I could layers the same color for deeper pigment or multiple colors and I could blend easily using a blending stick. I tested both oil and wax based pencils. I also found that hard lead pencils leave dents through the paper.I like to use a blotter when working in the book. I use a page of card stock or several sheets of heavyweight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below.

I was pleasantly surprised at how much I’ve enjoyed this bookPictures are fun to colorGreat detail and paper quality is good

A+
