Synopsis

Maxwell Rivers is your average alpha in nearly every sense. As the son of the pack leader, he gets more than his share of attention from the females of the pack. As much as his father tells him he needs to stop playing with omegas, heÃ¢â ¬â„¢s simply having too much fun. That fun only seems to grow when he meets Connor Lewis, a male omega. Male omegas are something of an anomaly, and though Maxwell has never been with another male before, his interest is immediately peaked. The two have a bit of fun, but is that really all there is to their relationship? Maxwell fears feelings are beginning to grow where none have before, and Connor has made it clear what he wants. Things get even stickier when a problem arises that neither of them expects. Will Maxwell step up to the plate, and be the alpha heÃ¢â ¬â„¢s meant to be? Will Connor accept MaxwellÃ¢â ¬â„¢s feelings? It seems that with the way things are going, theyÃ¢â ¬â„¢ll have little choice.We've included one complimentary bonus story for your enjoyment!

Customer Reviews

Connor Lewis is an omega wolf shifter who's only ambition is to complete college and have a little sexual fun on the side. He's not looking for love, just a friend with benefits. Maxwell Rivers is an alpha wolf shifter who's only ambition is to have one time sexual relationships with every female omega he encounters. Connor and Max meet, and they are attracted to each other, but tell each other their relationship is only about sex. Neither will acknowledge their love for the other. Connor becomes pregnant, and their rocky, turbulent relationship begins. Will they settle their differences, acknowledge their love and marry? Read this well written book to find out.I received an advanced copy of this book for an honest review.

This was a heartfelt romance between Maxwell (alpha) and Connor, which had me smiling by the time I journeyed to the end of the book. The characters were well developed, although, with Maxwell, one minute I liked him, and the next minute I didn't. It went back and forth like that for quite a while, at least where he's concerned. Their friends were sweet, and very understanding. Especially, Willow. She was so exuberant and bubbly, I really liked her. Maxwell's father also surprised me with a personality (or reaction) that I really appreciated, and didn't expect. Overall, this was a well written, and engaging read. :)I voluntarily reviewed an advance readers copy of this book.

I really enjoyed this book. It had all kinds of emotions in this story. The love between Conner and Maxwell was so hard at first because they said no emotions were to get involved but they couldn't stop them from happening if they had tried. This is a book I would read again. I valuntarly received a free copy for a honest review.
