Sarah Walsh is inspired by animals, magical creatures, coffee, music, a good story, her friends and family, bravery, vintage children's books, and mid-century anything. Her illustrated children's books include the Tiny Blessings series. Amy Parker has written more than thirty books for children, teens, and adults, including the bestselling A Night Night Prayer; Thank You, God, for Mommy; and Thank You, God, for Daddy. Amy lives in Murfreesboro, TN with her husband and two sons.

I picked this up at Sam's Club for my daughter. It's very short (5 spreads), but cute. I like that it shows diversity in the illustrations with people of different skin tones, families, etc. The illustrations are made up of different patterns in a mixed media style. Overall a visually appealing read, but I wish it was longer.
