Customer Reviews

Not as easy as expected. I have an extensive education, but at age 83 I am finding that recollection of words is not as easy as previousevperience. GENE

The size is perfect. The crosswords are challenging without being absolutely impossible to solve. Great book.

I love these crossword books. They are challenging but interesting. I would recommend these books to crossword puzzle lovers

Too big and not Easy like other Authors

My husband loves the Jumbo Print crosswords.

I did not like the format and the layout. The book was bigger than I like. Crosswords I don’t care for as much as other crossword books I’ve purchased.

Great gift for grandma

it keeps me occupied
