Customer Reviews

Will Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR’s Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.

Like most New York Times puzzles, these are well edited. They’re not especially challenging, but many of the puzzles have some sort of interesting theme. All in all, a relaxing, interesting set of puzzles. However, the title -- "Tons of Puns" is inappropriate. I’d say there are no more puns in these puzzles than any random set.

I got copies of this interesting-looking book for my sister and my youngest son, both of whom are infinitely more patient and clever than I! I know my son has had a ball with this book; I haven’t heard much yet from my gifted sister. I look at a couple of pages and knew I could/would never have the patience/time to sit down and do any. Good luck to all puzzlers who enjoy puns and thinking about

them!

The answers are far from obvious and it does not spur any ahha! moments or great conversation. It’s also not suitable as a teaching tool.

I had hoped this would be a lot more challenging, but it is not. It seems to be a compilation of maybe Wednesday or Thursday puzzles from the Times. Too easy, I’m afraid.

Lotsa fun - even the unfair ones!

Great fun!

Perfect...as always. Mixture of fairly easy and some not so easy, but challenging. Never disappointed in the New York Times crossword puzzles.

Wow, wasn’t expecting these to be that hard! Pretty difficult for a beginner/intermediate crossword puzzler!
