J. I. Packer is regarded as one of the most influential evangelicals in North America. He is Board of Governors’ Professor of Theology at Regent College in Vancouver, British Columbia, and his writings include books such as Knowing God, A Quest for Godliness, Growing in Christ (Crossway) and Rediscovering Holiness. He has preached and lectured widely in Great Britain and North America and served as general editor of the English Standard Version of the Bible published in 2001, and theological editor of the Study Bible version. In 2014, Packer was named Author of the Year by the Association of Logos Bookstores. He is a frequent contributor to and an executive editor of Christianity Today and has written numerous articles published in journals such as Churchman, SouthWestern Journal, Reformation & Revival Journal and Touchstone. He received a BA, MA and PhD from Oxford University.

Outstanding companion to the book Knowing God. This Study guide is making the studying of this

great book easier than I ever imagined.

J.I. Packer has the unique ability to convey deep theological sentiments to any person both believer and non-believer. This study guide assists you in reviewing the text to grab the main points, but also give you opportunities to engage in critical thinking on the text, your own life, and what this newfound knowledge means to you.

I have had this book for years and find it so beautiful to read and re-read. Of course nothing is better to hold and to read like the Holy Bible, but this book helps with ones walk with God. I have given it to a friend and he in turn bought and gave one to a friend. Whomever reads this book will love our Lord even more. Every family should have one and read and share together. Highly recommended

I purchased this book because I will be teaching a class on this subject this fall. After purchasing the book I discovered that to develop my own outline and study was going to be very time consuming because the book is so complete. Later I discovered this study guide and have found that attempting to put this together for a study for others it would be a tremendous help. In fact even for individual reading I found this very comprehensive, thought provoking. Well worth the cost and the effort.

We used this study guide for our home group study by doing one chapter each week for 22 weeks. We enjoyed the study much, we did another 3 week review using the summary questions of the study guide. The study guide helps capture the rich truths of Packer's Knowing God which is must read for every Christian.

Great for reviewing and studying

This helps us to study and understand more about this book and ways to know GOD, but praying for the revelation of his word and Knowing Him is most important as we study. Pray for me and that God will work in my Life!!!

Funny that the study guide should cost more than the book itself. I'll look forward to using this to lead a class. The questions are well stated. Packer's intro is also worth reading.
