Customer Reviews

Steven James Petruccio has illustrated numerous Smithsonian Oceanic Collection titles, including Benjamin Franklin award finalists Puffer’s Surprise and Seahorse Reef, among others. He has won awards for his watercolor paintings and has been a featured illustrator on Reading Rainbow. Steven resides in Fishkill, New York.

These are another delightful set of Dover bookmarks! On one side they have quotes from Romeo and Juliet, Twelfth Night, Julius Caesar, Macbeth, Othello, The Merry Wives of Windsor, King Lear, The Tempest, The Merchant of Venice, Hamlet, As You Like It, and a Midsummer Night’s Dream. On the reverse side, there are nicely rendered color illustrations depicting the relevant scene. They are printed on heavy coated stock and are perforated for easy separation into 2"x6" bookmarks.I always keep two or three Dover bookmark booklets handy and I like to give them away as little gifts to my reading friends.

for 2 dollars i'm really happy with these book marks. i just needed some affordable bookmarks that i could appreciate. the van gough variety were sold out so i got these and i really like them. i mean, 12 bookmarks?! :)

I love these bookmarks--they're inexpensive, simple, and relatively thin. I appreciate the images by Petruccio with the corresponding quotes on the back of each marker. Comes in a cute perforated booklet. I included a pic of my favorite quote of the set ;)

These are nice and will serve my purpose. They are smaller than normal and not fancy but fairly sturdy. I'm creating a home library and want a book mark in each book. These are great at a low price.

I used these as a handout for Open House at my high school. There was a question that had to be answered and if the student/parent/sibling got the answer correct they earned the bookmark. They were easy enough to separate due to the perforated edges. I trimmed them down and then laminated them for a sturdier finish. They were a big hit, one of my students said that we needed to get more so they could use them like trading cards. Othello was the biggest hit for my students. The art work is well done and the quotes are appropriate for the respective plays.

cute, would make great gift for teenager or shakespeare fan.comes in cute little book and you have to tear them out. the back of bookmark has quote from the story

Images are very cartoony and not worthy of Shakespeare. Buy Dovers' Stained Glass or Monet bookmarks instead.

These are cheap, so I didn't expect much. Just know that the images are pretty juvenile - like for a child's version of the Bible. Images on one side, titles in print on the other. But they'll do the job and I didn't have to drive to a bookstore to get 'em.
