Synopsis

Sometimes less is more. This brief new textbook to train nursing assistants teaches all state, federal, and safety requirements. It is beautifully illustrated and clearly photographed with color tabs for easy location of material. Organized around learning objectives, it contains rationales for procedural steps and an emphasis on resident's rights and passing the certification exam. This new Spanish language textbook is a black and white version of the full-color English language textbook to train nursing assistants. This book has been translated by a native speaker and reviewed by experts in the field, who are also native speakers of Spanish.

Book Information

Paperback: 206 pages
