Synopsis

This easy-to-understand, full-color book consists of a concise and practical format. It reflects the most recent practice requirementsÃ¢â ¬â •including the latest Center for Disease Control (CDC) guidelines, OSHA mandates regarding infection control, OBRA training requirements and updates, and JCAHO age-specific considerations. The book highlights the essence of what it takes to be a nursing assistant in today's competitive healthcare environment. A five-part organization describes the role of the nursing assistant, covers the essential principle of safety, presents the knowledge and skills of basic nursing care, highlights the main duties and procedures of the nursing assistant, and explores more specialized job skills and abilities. For nursing instructors and educatorsÃ¢â ¬â •a tool and text that can form the basis of any nursing assistant training program.

Customer Reviews

The Nursing Assistant, 3e Concise, practical, and affordable, The Nursing Assistant, 3e contains the essential information nursing assistants need to know in a format that's easily readable. Appropriate within any nursing program, the Third Edition reflects the most recent practice requirements while providing new features to facilitate learning. New Features include: Case Studies at the end of each chapter which provide real-life application of material. Exercises that highlight the development of skills in cultural awareness, teamwork and resource conservation. An Organ / Tissue Donation section added to the chapter on Death and Dying. Discussion of the changes in emergency care curriculum specifically the use of Automatic External Defibrillator. A Free Companion Website - www.prenhall.com/pulliam - that provides additional test questions for

self-quizzing and related resources. A CD-ROM packaged free that includes key terms, definitions, and self-quizzes. Other Features to Facilitate Learning Include:

Included in her more than 25 years experience in health care, JoLynn Pulliam has held positions in clinical practice and in hospital and nursing management; taught nursing in the Baccalaureate Nursing Program at Madonna University, Livonia, Michigan; published in the Journal of Nursing Administration; traveled nationally as a health care consultant; contributed to the publication of texts and workbooks for nursing assistants; functioned as a Nursing Education Specialist for registered nurses and nursing assistants at St. Joseph Mercy Hospital, Ann Arbor, Michigan; and worked as a home health care nurse. Currently, JoLynn is at St. Marl Mercy Hospital, a member of Trinity Health, in Livonia, Michigan. Her role includes hospital shift administration, nurse recruitment, Joint Commission on the Accreditation of Health Care Organizations (JCAHO) survey preparation, and activities that support the education of registered nurses and nursing assistants.

This is a very easy book to understand. It gives a great idea of what to expect when you become a Nursing Assistant and explains the duties well. The procedures are explained in detail and always show a picture or a drawing. It is high quality and fast to read.
