Synopsis

The Biting Game (Volume I) is a skin-tingling bundle of the first three books in The Biting Game Series by Lily Levi.The Biting Game (Book One)Master Deadmourn called and I came. I've had my fun, traversing the dark streets and feeding on mortal men. Now, it's my turn to feed the others.Only - and this is a big only - there's thirteen of them and only one of me. I'm won't say I'm afraid. I knew this was coming. But frankly, I'm not going down without putting my bravery to the test and having a last bit of fun because I can play their twisted game better than all of them.The Biting Game (Book Two)IÃ¢â ¬â„¢ve had four of the vampires, desperate for the sweet taste of my blood, and now IÃ¢â ¬â„¢m ready for more. Blindfolded in their shadowy room and awaiting the end of my fate, IÃ¢â ¬â„¢m still holding out that I can outwit them; outplay them; and out-seduce them.But this dangerous game is about to be over, I can feel it in my blood, cold as the darkest night and the darker nights to come.IÃ¢â ¬â„¢m going to have to choose the ones who will feast and IÃ¢â ¬â„¢m going to have to choose soon - but not before I have my fun.The Biting Game (Book Three)Thirteen gnashing teeth, razored and ready for me. I belonged to them and I would have it no other way - neither would they.The wicked thirteen always take what they want - what they need.There is no turning away from them now and, after everything that's happened in the shadows of Deadmourn Mansion, I'm ready for them to end our little game for good.
