Customer Reviews

This adventure-packed book outlines 27 unforgettable day trips and describe hundreds of fascinating and exciting things to do, most within a two-hour drive of Baltimore. Take a train ride on a 140-year-old, coal burning, steam locomotive through the heart of Pennsylvania’s Amish country. Visit an 18-century plantation located on the Sassafras River, where you can see a restored mansion, beautiful grounds, and formal boxwood gardens. See a 500-pound clam and experience the wilds of Africa at the Delaware Museum of Natural History. A directory lists restaurants, state parks and forests, and celebrations and festivals, providing many options for delightful trips in and around the Baltimore area.

Good for people that have just moved to the area, is missing lots of information and places. Internet has much of the same info and reviews.

This is a very nice book to have. An author wrote about every nice places and every activities you

could do within 2 hours drive around Baltimore...He also included the phone numbers and the addresses of every place he had mentioned in the book..It's also good for escaping.
