Grade Level: 7 - 10

Customer Reviews

Book by Kallen, Stuart A

With a title like 'Renaissance Art', I will admit I expected more actual ART, so felt disappointed in that respect. However, if a person was looking for information on the trends of art during the period of the Renaissance, this book does an excellent job of that. It tracks the various threads of change across Europe and is filled with textual Art History... just not a lot of illustrations.
