Yes . This book is giving me my whole entire cosmetology life back!!! It came in very good shape too! Very up to date and more valuable information and knowledge !

The book arrived in excellent condition.In terms of content, I was expecting more chapters about skin. There is more emphasis put on hair cutting, styling, colouring and I was expecting the opposite. Nevertheless, the content is easy to read and understand and the explanations are straight-foward

Just what we need for kids school. shipment was fast.

Digital copy is great better than the hardcopy many cool features!

I needed this book and so happy I was able to rent it. Worth the rental fee and if you just want to purchase it outright. I helped me tremendously.

I so love it .it has all the updates on all the New trends out there and it came in good condition
