This is super fun for teenagers and those grown ups who don’t want to be old. However, we do find some of the questions oriented towards high schoolers. That makes us just have to improvise. Still a lot of fun.

My daughter loves it.

Purchased for my 13yr old daughter who is always wanting to get something to give to her friend. She loves this journal. It’s a nice way to get to know your bff better

Definetly for preteen girls. Looking for something to help my bff and I keep in touch and some of the activities are fun.

My 11 year old granddaughter LOVED it!!
