Bunting’s touching story of an unexpected birthday treat contains a subtle message about adult literacy; PW said, "Carrick’s glowing watercolors are the perfect partner to this story of a warm and loving family." Ages 3-8. Copyright 1990 Reed Business Information, Inc.

Kindergarten-Grade 3-A loving story about a proud granddaughter and her successful efforts to teach her grandmother to read. A plug for literacy is just the bonus; the real focus is on the lessons old and young share when they learn to read each other’s hearts. A joyful surprise for any day of the week. This is a great story to read-a-loud or close read. I’ve yet to find an Eve Bunting book that has

disappointed!

Great book!

loved it!

Great story

I heard about this book at a workshop and rushed home and bought it and I love it. What a great book to get kids interested in. With such questions like: what is happening?, what will happen next? Once you reach the end and you fight back the tears ask the one your reading it to if that's the way they thought it was going to end. Must read with anyone. Young or old.

Great book. Prompt delivery.

Eve Bunting is a wonderful writer! This picture book is amazing! I am glad I bought this book! I am using it for my lesson plan assignments in the K-6 teaching program!

Great book to use for close reading activities in elementary school.
