Synopsis

Are you stuck in a never-ending cycle of defeat that fills you with shame, prevents you from leading your family well, getting involved in the church, and spending your time and money on the things that really matter? You have everything to gain and nothing to lose by ending this cycle. You are not powerless in the fight against pornography and lust. Hide or Seek wonÃ¢â ¬â„¢t ask you to jump through a series of hoops; it will simply suggest one clear step forward. One step to reorient your heart toward GodÃ¢â ¬â„¢s love for you. One step to take the energy out of the vicious cycle that keeps you from being the man God has called you to be, the man you want to be. Discover how the gospel speaks in practical terms to the most private areas of your life and how God offers the freedom you desire. Hide or Seek is easy-to-read, full of real-life stories, and points you to the hope for change that many men have given up on finding. DonÃ¢â ¬â„¢t settle for the cycle.

Customer Reviews

I am starting my 3rd read of this book. My wife read it, then read it out-loud to me, so I guess it is actually my 4th time through this book. I gave a copy to my pastor. He read it and then summarized

it to the entire church board and recommended it to them.As a PSA, I feel I must warn you. There is a story at the end of chapter 7, so touching, so poignant, so gripping, that I wept for hours. I was compelled to write to John, the author, and ask about the rest of the story of what happened to little Sam. He wrote back!I will have to agree with my wife who said "This is the single, clearest, best book we have read on this subject to date."

If you struggle with your sexuality in any way read this book. It tells it like it is and like it needs to be.

Really well-written, helpful book

Excellent read! Freeman wrote this book primarily to address sexual temptation from a male perspective, but I do believe that anyone would benefit from reading it. This is an excellent tool for understanding, diagnosing, and gaining freedom from the struggles that are of a sexual nature.Profound in getting down to the root of the subject, this book makes for an excellent discipleship tool in the church. I enthusiastically recommend!

great

On time and as described.

This is the book I have been looking for. A great resource! Very biblically based. I believe this is a much neglected in our day.

Absolutely relevant for those struggling with addictions.
