PreSchool-Grade 3Ã¢â ¬â œThis solid entry (HolidayHouse, 1992) in David Adlers picture book biography series transfers smoothly to audio. With a well-paced, precisely spoken narration by Gail Nelson, this very truncated story of the life of Harriet TubmanÃ¢â ¬â œfrom slavery to leader of the Underground RailroadÃ¢â ¬â œrelates the struggles and the dangers she endured. Subtle background noises add to the competent storytelling and a couple of brief songs are beautifully sung. In-text quotes by Harriet Tubman are read in a different voice with a southern accent, making it seem as though Tubman is speaking. An important dates appendix is also read aloud. One side of the recording has page-turn signals. A spare, yet important audio production.Ã¢â ¬â œ Jennifer Iserman, Dakota County Library, Burnhaven Branch, Burnsville, MN Copyright Ã Â© Reed Business Information, a division of Reed Elsevier Inc. Biography of the black woman who escaped from slavery to become famous as a conductor on the Underground Railroad.

before my son was born, I was concerned with him learning about his history. I made a list of several books that I wanted to get for him and this was one of them. Overall I am pleased with the historical accuracy and depictions in the book, the only thing I didn't like is that the lustration a are very dark and some pages are harder to read because of the dark backgrounds.

Educational and informative. Gave to Grand child as gift.

I read this book to my first grade class and they understood the story. I was easy to u set stand and I highly recommend this book.
