There are a number of wonderful books of photography about Cuba. Lorne Resnick's is one of the greats. I have visited Cuba 5 times since 2000. As captivating as Cuba is visually, the soul of the country is it's people. Mr. Resnick's book has the ability to evoke the time,place and people of Cuba, unlike any other book on the subject I have seen. Enjoy!

Highly recommended. If you can only buy one photo book about Cuba, buy this one.

A beautiful book filled with riveting images of this magic place paired with poignant words. The production on this book (heavy pages, vellum overlays, gorgeous color) makes it a pleasure to touch and view. Lorne really captures the soul of Cuba.
