Synopsis

Its 1861. War has broken out between the United States and the Confederate States of America, and you have answered President Lincolns call for volunteers to fight for the Union. What are your chances of surviving Americas bloodiest war? This new extended edition includes a Civil War timeline, details of major battles, and fascinating information on the role of women in the Civil War.

Customer Reviews

Very fun and informative.

My 5th grade students love reading this book. At the beginning of the school year, I used it to supplement a unit on the Civil War. Students often referred to the book in small group/partner discussion. Because I only bought one, students suggested a making a waiting list!

Great book! The kids in my class loved it!! Goes great with you wouldn't want to be a civil war nurse book.

Bought in conjunction with others for an inner city elementary class my son in law teaches. They

seemed colorful and interesting to me. Fun facts to help in picking up some history blimps and maybe even foster an interest in history.

We are having Civil War Camp for 5 of our grandchildren this summer and this book is a great addition!

My 3rd grader needed this for a project. Its was very informative for him. I wish it were a bit longer, but its still a good book

Interesting and informative

A fun read for the students to learn about the "fun" facts of this point in history.
