Customer Reviews

You can almost hear the water hitting the rocks of the Caney Fork River as you look at the photography of Howard Baker and John Netherton. The seasons may change but the canyon walls stand guard over this beautiful 10000 wilderness area on the Cumberland Plateau near Chattanooga, Tenn. Profits from the sale of the book go to the Bridgestone/Firestone Centenial Trust for maintenance of the area.

John Netherton was magnificent - and at his peak in this book. What a loss to photographers everywhere when he passed. This book, however, is a fitting epitaph. This is a beautiful piece of work.
