While reading The Simplicity of Healing, I was healed of a sinus headache and neck pain. Every symptom disappeared. I have read dozens of books on healing and have sat under the best healing teachers in the land, but I have never experienced a book that connects the dots like The Simplicity of Healing: A Practical Guide to Releasing/Activating the Miracle Power of God's Word. I will wear the covers off this book as I glean nuggets of truth from its pages. I will buy and give copies to share with other people who need healing miracles from God. Thank you.

The book reads like she talks. I love it! Direct, passionate with conviction of one who walks her talk. Must read and bless others with it.
