Synopsis

Knock-off designer handbags, shoplifting, sweatshop labor, provocative advertising, these are just a few examples of complex ethical issues in the fashion industry today. Ethics are about making good decisions, and in the fashion industry-where it is essential to work cooperatively with many different people-understanding ethics is key to being an honest, informed, and effective employee. Ethics in the Fashion Industry provides readers with the tools they need to develop and practice ethical decision-making skills.PLEASE NOTE: Purchasing or renting this ISBN does not include access to the STUDIO resources that accompany this text. Customer Reviews

Knock-off designer handbags, shoplifting, sweatshop labor, minimum wage laws, the debate over "green" design, provocative advertising, even what employees wear to work at textile mills or in high-end boutiques are just a few examples of complex ethical issues in the fashion industry today. Ethics are about making good decisions. And in the fashion industry-where it is essential to be able to work with many different people, from manufacturers to designers to customers-understanding ethics is key to being an honest, informed, and effective employee. Ethics in the Fashion Industry provides readers with the tools they need to develop and practice ethical decision-making skills.

Ann Paulins is a professor and Director of RetailMerchandising at Ohio University.Julie L. Hillery is the Kohl’s Professor of Retailing andMerchandising and faculty at Northern Illinois University

It’s an excellent textbook, and it’s very clear and specific. It’s also interesting and I’m learning a lot! I would recommend it to a fashion student!

great condition
