. A complete reference to the careers of 850 great character actors. Each entry includes a black & white photograph of the actor usually from a well known movie, a description of the actor’s career and the type of role he or she specialized in and a list of feature films and TV movies the actor appeared in.

very fun book if you like old character actors from film and television, as i do. so sad to see how many people in this book are now gone, not surprising since it was published in 1985! whoa! lots of fun for movie fans! highly recommended!

Better than I expected. A good reference book for my library. I learned the names of many familiar faces.

Film and television credits are tops; pics represent typical characterizations, career descriptions don’t waste any words. This is a buy.

Excellent compilation of the actors we all have come to know and enjoy in a highly informative concise description of each one. Complete with film listings for every one of them.Definitely recommend it for all film buffs of Classic Cinema!

This is truly a great and necessary book. I've often seen a familiar face and wondered "Who is that " Now I can look it up.

The book was published in 1985 and has plentiful information, but it might have benefited from an index, perhaps by era and/or industry. Actors are only listed alphabetically.

SUPERFAST SHIPPING, ITEM AS DESCRIBED, WOULD BUY FROM AGAIN AAA+

This book was a gift for a movie buff friend. He absolutely loves it and I got lots of stars for my gift.
