Synopsis

Now in Paperback! In Eyewitness: Titanic young readers will discover the triumphs and tragedies of this "unsinkable" luxury liner. Detailed images and text highlight all aspects of this fateful journey including how the ship was built and equipped, what kind of passengers and crew she carried, what facilities she offered onboard, how she struck an iceberg, why she sank so quickly, how many people were saved, and how many lives were lost. In summer 2014 this award-winning series will get a fresh new look both inside and out. The introduction of paperback editions, eye-catching jackets, and updated interiors ensure that the Eyewitness series will continue to be relevant in the ever-changing world of education and remain the go-to source for homework help, research projects, reluctant readers, ESL students, and, as always, to satisfy the minds of curious kids. Customer Reviews

Great

Not what I expected. I was not looking for a picture book. I wanted a text that was a good review of

WWII.

My son is a collector of WW II items and was happy to have this.

My son (4) loves the Titanic and loves this book. Great information and pictures.

My 9 year old son is obsessed with all things Titanic. This is a great book, well written, and with great photos. It is a large book filled with photos and information we hadn't seen before. We are happy with this purchase.

Good concise way to teach WW2 highlights to my home schooled teen.

Purchased this book and two other for a very bright young man of the age of ten ...he was delighted since he had an interest in history and the wars.

My 8 year old loves studying about the Titanic. He's fascinated with shipwrecks. This is the perfect book, as it has detailed photos, illustrations and descriptions.
